MINUTES OF MEETING TO REVIEW SURVEY RESULTS

Call to Order

Roll Call: Sheri Sauer, Pastor Fred, Jessie Andrews, Shelley Svoboda, Sandy Sheridan, Julie Sauder, Lynn Sienkiewicz, Barbara Terreri Excused: David Bernauer, Judy Miller, Kevin Seidel

- Survey Results: The manual surveys done on notecards have been summarized on the excel spreadsheet. The results from the electronic survey are summarized in the Word Doc. (Word doc will follow in next email due to size constraints)
- The total votes were overwhelmingly in favor of going ahead with one service at 9:30. The most commonly given reasons in favor were the desire to have a full sanctuary and more efficient use of resources. The most common concern given with a No vote was the lack of options for a person who just can't make 9:30 on Sunday.
- After a brief discussion of the concerns, the team decided:
 - A) to continue the single service through the end of February. Sandy will present this to Council for approval.
 - B) Future meetings will include time for discussion and brainstorming on each of the concerns expressed.
 - C) Early in 2020 we will again review the needs of the congregation
-
- The meeting was adjourned at 11:00 am.
